

## 2024 STUDENT RESOURCE SCHEME (SRS) FEES AND SUBJECT FEES FACT SHEET

- Mackay North State High School provides all resources necessary for students to complete their chosen course (excluding the resources on the stationery lists).
- Parents/caregivers will have signed a Participation Agreement Form confirming YES they DO WISH to participate in the scheme or NO they DO NOT WISH to participate in the scheme upon enrolment.
- For convenience we offer a variety of methods of payment (Cash/EFTPOS at the school office, BPOINT & Direct deposit)
- It is important that you read the Terms and Conditions of the Scheme which are listed on the reverse of the Participation Agreement Form.

**Below are 6 important points to be aware of:**

1. ALL resources remain the property of the school. Any resources lost or damaged must be paid at the current recommended depreciated price.
2. Students electing to take **high consumable subjects** (see page 2) will be required to pay a **subject levy** as well as the SRS fee (details on reverse). Some subjects have limited space. Unless outstanding fees have been paid, your student may not have the opportunity to select the subjects they wish to study.
3. If a payment plan has been created and is not being adhered to payment for extracurricular activities will not be accepted.
4. There is an additional \$20 fee associated with connection of personal devices to the school network – this fee is included in the SRS.
5. The state government pays every eligible student in Queensland a Textbook and Resource allowance. This allowance is paid directly to the student's school which enables schools to reduce their SRS fees.
6. International students and non-permanent students are not eligible for the government Textbook & Resource Allowance, therefore they must pay the whole SRS fee.

INCOME	Year 7 - 10	Year 11 - 12
<b>Parent Contribution</b> ( <i>payable amount</i> )	<b>\$ 180.00</b>	<b>\$ 130.00</b>
