Reset School Password (Students)

Passwords only last 90 days, and after 90 days you are required to change them. Before you need to change your password, you will receive reminders. If you remember your password, even expired, try self-reset: You can reset your school password at any time via …
https://fed.education.qld.gov.au/passwordchange/.

If you have forgotten your password, you will need to reset your password at school: Ask your class teacher OR see the Tech Team in the Library during breaks or before school.

The security requirements for your school password are:

- At least 8 characters long
- Does not contain any part of your username or legal name

Plus any 2 of the following:

- Contains at least 1 number
- Contains at least 1 symbol
- Contains at least 1 capital letter
