HLT33115 Certificate III in Health Services Assistance

(including HLT23215 Certificate II in Health Support Services)

Qualification description

Health and community services training is linked to the largest growth industry in Australia, estimated to grow by 20% over the next five years. These programs combine to provide students with entry level skills necessary for a career in the health sector and also provide a pathway to pursue further study. Skills acquired in this course include first aid, effective communication, workplace health and safety, infection control, understanding common medical terminology, conducting health checks, recognising healthy body systems and working with diverse people.

Refer to training.gov.au for specific information about the qualification.

Entry requirements

There are no entry requirements to commence the first year of this qualification; however successful completion of the Certificate II in Health Support Services is required to continue into the Certificate III coursework.

International students may be able to enrol depending on their visa and/or the school's CRICOS registration. Contact the VET Coordinator for more information.

Duration and location

This is a two-year course delivered on site to senior school students and in partnership with Connect 'n' Grow®.

Delivery modes

A range of delivery modes will be used during the teaching and learning of this qualification. These include:

- face-to-face training
